I'm honored to share the annual report of the College Examination Section for the academic year 2022-23. This year, we diligently followed the academic calendar, ensuring smooth progress in our academic activities. We successfully completed class work on time, showcasing our dedication to excellence.

Conduction of Exams

After careful consideration, both the Institutional Quality Assurance Cell (IQAC) and the Examination Committee have decided to stick to the academic calendar for conducting exams smoothly.

Publication of results

Following thorough evaluation by the committee members, the results were promptly released within 10-15 days after the exams. Students could easily access their results through the college website.

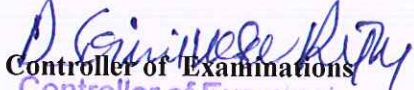

Examination redressal mechanism

Following the release of results, 25 students sought revaluation and retotaling, showcasing their commitment to academic excellence. Each request underwent a rigorous review process to ensure fairness and adherence to established procedures.
