Academic year 2022-23 National Service Scheme (NSS Unit) EVENT REPORT

Event Report: Plastic Free Programme

Date: 15th January 2023

Time: 10:00 A.M.

Venue: Komarada Village

The Principal initiated the event by addressing the audience and highlighting the pressing issue of plastic pollution. He emphasized the detrimental effects of plastic on the environment and urged everyone to actively participate in the Plastic Free Programme. The Principal stressed the importance of reducing plastic usage and adopting eco-friendly alternatives to safeguard the environment for future generations.

The main highlight of the event was a plastic collection drive organized in Komarada Village. Students and volunteers actively participated in collecting plastic waste from various areas of the village, including streets, parks, and public spaces. The collected plastic waste was sorted and segregated based on recyclability, with non-recyclable plastics disposed of responsibly. The drive aimed to raise awareness about the harmful effects of plastic pollution and promote responsible waste management practices.

Following the plastic collection drive, a community awareness session was conducted to educate villagers about the importance of reducing plastic usage and adopting sustainable alternatives. Presentations and interactive discussions were held to raise awareness about the environmental impact of plastic pollution and the benefits of embracing eco-friendly practices. Participants were encouraged to minimize their reliance on single-use plastics and to promote recycling and reuse within their households and community.

The NSS Programme Coordinator extended gratitude to P. Ramakrishnam Raju, A.O, DNRC, BVRM, and all participants for their active involvement in the Free Plastic Programme. He emphasized the importance of collective action in addressing plastic pollution and urged everyone to continue their efforts beyond the event.
