

1. **Physical facilities**
2. **Ramp / Rails**
3. **Braille Software/facilities**
4. **Rest Rooms**
5. **Scribes for examination**

The Institutional establishment has a debilitated disposed and hindrance-free climate:

1. **Physical Facilities:** The College has been giving wheel chairs and walker's facility to Differently-able (Divyangjan) at whatever point they expect while they are on the college grounds.
2. **Ramps / Rails:** Ramps have been installed in the college's buildings to make it easier for tricycles, wheelchairs, etc., to move around to Differently-able (Divyangjan).

The structures existing in the college have been given slopes to work with the development of the tricycles, Wheelchairs and so forth, to Differently-able (Divyangjan).

3. **Braille software:** The College secured the Braille programming to work with outwardly in an unexpected way capable/ Differently-able (Divyangjan) Undergraduates during their review time and procured the Braille software so as to facilitate visually Differently-able (Divyangjan) students during their study time.
2. **Rest Rooms:** Rest room has been given to them Differently-able (Divyangjan) to rest during the relaxation time while they are in the college.
3. **Scribes for Examinations:** According to the standards of the Public authority copyist office has been giving to the merited Differently-able (Divyangjan) Undergraduates during the assessment time.

**Some other facilities**

1. Special Skill Development for Differently-able (Divyangjan): By the year, the AP State Skill Development Corporation has established its skill development center in the college, purchasing labtops and tabs specifically for Differently abled (Divyangjan).
2. The college has been giving charge concession/expense reduction cash grants and so on., to the meriting Differently-able (Divyangjan) Undergraduates.
