RED RIBBON CLUB

Goals

- Educate students and faculty about the dangers of substance abuse and the importance of prevention.
- Implement strategies and initiatives to prevent drug abuse among the college community.
- Provide support and resources for students who may be struggling with substance abuse issues.
- Advocate for policies and programs within the college that promote a drug-free environment.

Roles and Functions:

1. **Education and Awareness:** Develop educational materials, workshops, and events to raise awareness about substance abuse and its effects.
2. **Community Outreach:** Collaborate with local organizations and agencies to extend the reach of substance abuse prevention efforts beyond the college campus.
3. **Peer Support Programs:** Establish peer support programs where students can receive guidance and support from their peers regarding substance abuse issues.
4. **Event Planning:** Organize events such as Red Ribbon Week activities, guest speakers, and awareness campaigns to engage the college community.
5. **Monitoring and Evaluation:** Regularly assess the effectiveness of the committee's initiatives and make adjustments as needed to better achieve its goals.

RED RIBBON CLUB

REPORT ON MEGA HEALTH CAMP AT D.N.R. COLLEGE, BHIMAVARAM

Date of Event: December 14th, 2022

Location: D.N.R. College, Bhimavaram

Collaboration: Counseling Services, Local Health Centers, and Community Organizations

The event was meticulously planned with inputs from various stakeholders to ensure a successful and impactful health camp. Key steps included:

Coordination with Health Centers: Collaborating with local health centers to secure medical professionals, equipment, and supplies.

Engagement with Local Organizations: Partnering with community organizations to mobilize resources and volunteers.

Execution

The Mega Health Camp was held at the D.N.R. College campus, with various stations set up to provide different services. The event ran from 9:00 AM to 6:00 PM to accommodate a large number of participants.

Registration and Initial Screening:

Participants registered at the entrance and underwent an initial health screening to direct them to the appropriate services.

Specialized Consultations:

Specialized doctors from various fields such as cardiology, dermatology, gynecology, and pediatrics offered consultations.

Diagnostic Services:

Facilities for basic diagnostic tests like blood tests, ECG, and vision tests were provided.

Conclusion

The Mega Health Camp at D.N.R. College, Bhimavaram, was a significant achievement, demonstrating the power of collaboration in promoting public health. The event not only provided essential healthcare services but also fostered a culture of health and well-being within the college and the local community.

RED RIBBON CLUB

REPORT ON FREE MEGA HEALTH CAMP CONDUCTED BY D.N.R.COLLEGE

Date: July 14th 2022

Time: 10 AM

Organized by: D.N.R. College, Bhimavaram

Objectives:

- To provide access to healthcare services to the members of the DNR College community and surrounding areas.
- To raise awareness about various health issues and preventive measures among participants.
- To promote the importance of preventive healthcare measures, such as regular check-ups, vaccinations, and healthy lifestyle choices.

On July 16th, 2022, M. J Naidu Super Specialty Hospital organized a free Mega Health Camp at DNR College, drawing a remarkable turnout of more than 375 participants from the college and surrounding areas.

The Mega Health Camp offered a comprehensive range of medical services, including general health check-ups, dental screenings, eye examinations, blood pressure monitoring, blood sugar tests, and cholesterol screenings. Participants had the opportunity to consult with experienced healthcare professionals and receive personalized advice on managing their health.

The Mega Health Camp also showcased the importance of preventive healthcare through vaccination drives and awareness campaigns. Participants had access to free vaccinations for common preventable diseases, such as influenza and hepatitis, and received guidance on the importance of immunization in protecting against infectious illnesses.

The event had not only provided valuable healthcare services but also inspired individuals to take proactive steps towards improving their well-being and leading healthier lives.

REPORT ON BLOOD DONATION AWARENESS RALLY CONDUCTED BY D.N.R.COLLEGE

Date: 1ST OCTOBER 2022

Time: 10 AM

Organized by: D.N.R. College, Bhimavaram

Objectives:

- To raise awareness about the importance of blood donation and its life-saving impact.
- To promote voluntary blood donation among participants and encourage them to pledge to donate blood regularly.
- To engage the community in discussions about blood donation and encourage dialogue on how individuals can contribute to addressing the ongoing need for blood supplies.

On October 1st, 2022, DNR College, in collaboration with Sri Vijnana Vedika, organized a Blood Donation Awareness Rally aimed at raising awareness about the importance of voluntary blood donation. The rally drew enthusiastic participation from students, faculty, staff, and members of the local community, creating a vibrant atmosphere of solidarity and support for the cause.

The rally kicked off with an energizing speech by college authorities, emphasizing the significance of blood donation in saving lives and addressing healthcare needs. Participants, adorned with banners and posters advocating for blood donation, marched through the streets, attracting the attention of passersby and spreading awareness about the cause.

Attendees were also invited to pledge to donate blood and sign up for future donation drives organized by DNR College and Sri Vijnana Vedika. The event concluded with a sense of accomplishment and unity, as participants reflected on the significance of their collective efforts in raising awareness about blood donation and inspiring positive change within the community.

RED RIBBON CLUB

ACADEMIC YEAR 2022-2023

Report on: Participation in Government Health Awareness Programme (Jagananna Suraksha Scheme) at Anakoderu Village.

The Jagananna Arogya Suraksha Health Camp, held on 10/01/2023, in Anacoderu Village, was a collaborative effort involving the Government PHC staff, Red Ribbon Club Coordinator E BHARAT RAJU from the Department of Biotechnology, six dedicated student volunteers, health officials, and the public. The primary objective of the camp was to extend comprehensive health services to the local community.

The event commenced with registration, where Red Ribbon Club volunteers efficiently assisted attendees in completing forms, ensuring a streamlined process for accessing healthcare services. Throughout the day, these volunteers played a pivotal role in guiding individuals to various sections of the camp, including consultation rooms, diagnostic stations, and pharmacy counters. Their presence significantly contributed to the smooth functioning of the event.

During consultations, Red Ribbon Club members provided invaluable support to healthcare professionals, facilitating effective communication between patients and doctors, and aiding in the comprehension of medical advice. Moreover, they actively participated in distributing informational materials such as pamphlets and brochures containing crucial health-related information. This dissemination emphasized the importance of preventive healthcare measures, empowering attendees to take proactive steps towards maintaining their well-being.

Overall, the Jagananna Arogya Suraksha Health Camp in Anacoderu Village successfully achieved its objectives of providing accessible healthcare services, thanks to the collaborative efforts of government personnel, volunteers, and the active participation of the local community.

RED RIBBON CLUB ACADEMIC YEAR 2022-2023

Participation of Red Ribbon Club in Polio Drops Camp Organized by Government at Undi village

On 05/03/2023, the Red Ribbon Club (RRC) volunteers, under the coordination of E Bharat Raju from the Department of Biotechnology at DNR College Bhimavaram, actively participated in a Polio Drops Camp organized by the government at undi Village. The event commenced at 10 am and witnessed the collaboration of various stakeholders, including health officials, public representatives, and six student volunteers from the RRC.

The primary objective of the camp was to administer polio drops to children and raise awareness about the importance of vaccination in preventing the spread of poliovirus. Additionally, the RRC played a pivotal role in supporting the healthcare professionals present at the camp. They assisted during consultations, facilitating communication between patients and medical personnel. This support ensured that patients could effectively articulate their health concerns and better comprehend the medical advice provided to them.

Furthermore, the RRC volunteers actively engaged in the distribution of informational materials regarding polio vaccination and other pertinent health-related topics. These materials served as educational tools, empowering community members with knowledge about preventive healthcare practices.

The venue, undi Village, was chosen strategically to maximize community access to healthcare services, thereby ensuring broader coverage of the vaccination drive. The event garnered significant participation from the public, reflecting the community's recognition of the importance of vaccination in safeguarding public health.

In summary, the collaboration between the Red Ribbon Club volunteers, coordinator E Bharat Raju, and other stakeholders facilitated the smooth execution of the Polio Drops Camp. Through their active involvement, the RRC contributed significantly to the success of the event, furthering the goals of disease prevention and health promotion within the community.

RED RIBBON CLUB

Goals

1. Educate students and faculty about the dangers of substance abuse and the importance of prevention.
2. Implement strategies and initiatives to prevent drug abuse among the college community.
3. Provide support and resources for students who may be struggling with substance abuse issues.
4. Advocate for policies and programs within the college that promote a drug-free environment.

Roles and Functions:

1. **Education and Awareness:** Develop educational materials, workshops, and events to raise awareness about substance abuse and its effects.
2. **Community Outreach:** Collaborate with local organizations and agencies to extend the reach of substance abuse prevention efforts beyond the college campus.
3. **Peer Support Programs:** Establish peer support programs where students can receive guidance and support from their peers regarding substance abuse issues.
4. **Event Planning:** Organize events such as Red Ribbon Week activities, guest speakers, and awareness campaigns to engage the college community.
5. **Monitoring and Evaluation:** Regularly assess the effectiveness of the committee's initiatives and make adjustments as needed to better achieve its goals.

RED RIBBON CLUB

ACADEMIC YEAR 2021-2022

Report on Mega Health Camp at D.N.R. College, Bhimavaram

Date of Event: December 14, 2022

Location: D.N.R. College, Bhimavaram

Collaboration: Counseling Services, Local Health Centers, and Red Ribbon Club.

The event was meticulously planned with inputs from various stakeholders to ensure a successful and impactful health camp. Key steps included:

Coordination with Health Centers: Collaborating with local health centers to secure medical professionals, equipment, and supplies.

Engagement with Local Organizations: Partnering with community organizations to mobilize resources and volunteers.

Execution

The Mega Health Camp was held at the D.N.R. College campus, with various stations set up to provide different services. The event ran from 9:00 AM to 6:00 PM to accommodate a large number of participants.

Registration and Initial Screening:

Participants registered at the entrance and underwent an initial health screening to direct them to the appropriate services.

Specialized Consultations:

Specialized doctors from various fields such as cardiology, dermatology, gynecology, and pediatrics offered consultations.

Diagnostic Services:

Facilities for basic diagnostic tests like blood tests, ECG, and vision tests were provided.

Conclusion

The Mega Health Camp at D.N.R. College, Bhimavaram, was a significant achievement, demonstrating the power of collaboration in promoting public health. The event not only provided essential healthcare services but also fostered a culture of health and well-being within the college and the local community.

RED RIBBON CLUB

Goals

1. Educate students and faculty about the dangers of substance abuse and the importance of prevention.
2. Implement strategies and initiatives to prevent drug abuse among the college community.
3. Provide support and resources for students who may be struggling with substance abuse issues.
4. Advocate for policies and programs within the college that promote a drug-free environment.

Roles and Functions:

1. **Education and Awareness:** Develop educational materials, workshops, and events to raise awareness about substance abuse and its effects.
2. **Community Outreach:** Collaborate with local organizations and agencies to extend the reach of substance abuse prevention efforts beyond the college campus.
3. **Peer Support Programs:** Establish peer support programs where students can receive guidance and support from their peers regarding substance abuse issues.
4. **Event Planning:** Organize events such as Red Ribbon Week activities, guest speakers, and awareness campaigns to engage the college community.
5. **Monitoring and Evaluation:** Regularly assess the effectiveness of the committee's initiatives and make adjustments as needed to better achieve its goals.

ACADEMIC YEAR 2019-2020

Report on Collaborative COVID-19 Vaccination Drive at D.N.R. College

On November 26, 2021, D.N.R. College, Bimavaram, hosted a successful free COVID-19 vaccination drive in collaboration with local healthcare providers and authorities. The event aimed to vaccinate students and staff, promote vaccination, and ensure a safe campus environment. Principal Dr. B.S. Santha Kumari commended Red Ribbon Club Coordinator E. Bharat Raju Biotechnology Department and volunteers for their active support.

The college auditorium was transformed into a vaccination center, operating from 9:00 AM to 5:00 PM. Over 500 students and 150 staff members were vaccinated after a preliminary health check-up. Six red ribbon club volunteers facilitated the smooth execution of the drive.

This initiative underscored the college's dedication to community health and contributed to the broader goal of controlling COVID-19. The collaborative effort was a notable success, reflecting the commitment of all involved to public health and safety.

RED RIBBON CLUB

Goals

- Educate students and faculty about the dangers of substance abuse and the importance of prevention.
- Implement strategies and initiatives to prevent drug abuse among the college community.
- Provide support and resources for students who may be struggling with substance abuse issues.
- Advocate for policies and programs within the college that promote a drug-free environment.

Roles and Functions:

1. **Education and Awareness:** Develop educational materials, workshops, and events to raise awareness about substance abuse and its effects.
2. **Community Outreach:** Collaborate with local organizations and agencies to extend the reach of substance abuse prevention efforts beyond the college campus.
3. **Peer Support Programs:** Establish peer support programs where students can receive guidance and support from their peers regarding substance abuse issues.
4. **Event Planning:** Organize events such as Red Ribbon Week activities, guest speakers, and awareness campaigns to engage the college community.
5. **Monitoring and Evaluation:** Regularly assess the effectiveness of the committee's initiatives and make adjustments as needed to better achieve its goals.

REPORT ON ISSUANCE AND APPRECIATION OF BLOOD DONORS IN THE BLOOD DONATION CAMP

Date: AUGUST 27~~28~~ 2019

Time: 10 AM

Organized by: D.N.R. College, Bhimavaram

Objectives

- To recognize and appreciate the altruistic act of blood donation by issuing certificates to donors.
- The event sought to motivate donors to continue their noble act of blood donation by publicly acknowledging their efforts and highlighting the impact of their contributions on saving lives.

On August 27, 2019, DNR College organized a certificate issuance ceremony to express appreciation to blood donors who contributed to the success of the blood donation camp held on campus. President and Principal Sri M.V. Raghupathi Raju delivered inspiring remarks, highlighting the importance of humanitarian values and community service.

Principal Sri M.V. Raghupathi Raju also took the opportunity to personally award certificates to the donors, reinforcing the college's commitment to promoting philanthropy and social responsibility among its students and staff.

In addition to the certificate issuance, donors were publicly acknowledged and applauded for their generosity and compassion. Their contributions were celebrated as a testament to the power of collective action in making a positive impact on the lives of others.

The event concluded with words of encouragement from the college authorities, urging donors to continue their noble act of blood donation and serve as ambassadors for this lifesaving cause

RED RIBBON CLUB ACADEMIC YEAR 2019-2020

Report on AIDS AWARENESS SEMINAR

Date: January 29, 2020

Venue: Seminar Hall, DNR College

Organized by: Red Ribbon Club

On January 29, 2020, DNR College hosted an AIDS Awareness seminar in the college seminar hall, organized by the Red Ribbon Club. The session commenced with an opening address by Principal Dr. G. David Livingstone, who emphasized the importance of AIDS education and awareness.

The seminar's chief guest, Master Trainer V.V.V. Prasad, delivered an insightful presentation on AIDS awareness, discussing prevention methods, the significance of early detection, and debunking common myths about the disease. His interactive session engaged the participants, fostering a deeper understanding of the topic.

The event concluded with remarks from Vice Principal Dr. B.S. Santha Kumari, who highlighted the college's commitment to health education, and Red Ribbon Club Coordinator G. Milton, who appreciated the efforts of the volunteers. A total of 34 student volunteers actively participated in the seminar, contributing to its success, and spreading the message of AIDS awareness within the community.

Goals

- Educate students and faculty about the dangers of substance abuse and the importance of prevention.
- Implement strategies and initiatives to prevent drug abuse among the college community.
- Provide support and resources for students who may be struggling with substance abuse issues.
- Advocate for policies and programs within the college that promote a drug-free environment.

Roles and Functions:

1. **Education and Awareness:** Develop educational materials, workshops, and events to raise awareness about substance abuse and its effects.
2. **Community Outreach:** Collaborate with local organizations and agencies to extend the reach of substance abuse prevention efforts beyond the college campus.
3. **Peer Support Programs:** Establish peer support programs where students can receive guidance and support from their peers regarding substance abuse issues.
4. **Event Planning:** Organize events such as Red Ribbon Week activities, guest speakers, and awareness campaigns to engage the college community.
5. **Monitoring and Evaluation:** Regularly assess the effectiveness of the committee's initiatives and make adjustments as needed to better achieve its goals.

Report on International AIDS Day Rally Conducted by D.N.R. College, Bhimavaram

On December 1, 2018, D.N.R. College, Bhimavaram, organized a rally to commemorate International AIDS Day. The primary objectives of this rally were to educate the public about HIV/AIDS transmission, prevention, and treatment, and to promote regular HIV testing and safe practices. The event saw the active participation of approximately 23 students and 8 faculty members from D.N.R. College, along with over 50 residents. Members of the Red Ribbon Club, including both staff and students, were actively participated in this rally.

The rally commenced at the college premises at 10 AM and proceeded through key streets of Bhimavaram. Participants carried banners and placards with messages emphasizing HIV/AIDS awareness, prevention, and compassion for those affected by the disease. Several brief educational sessions were held at different points along the route. These sessions covered crucial topics such as the modes of HIV transmission, the importance of regular testing, and the available treatment options.

The International AIDS Day rally was a significant step towards raising awareness and fostering a supportive community for individuals affected by HIV/AIDS. The event underscored the importance of education, prevention, and compassion in the fight against HIV/AIDS and contributed meaningfully to the global effort to end the epidemic. The active involvement of the Red Ribbon Club members and the collaborative spirit displayed by the participants highlighted the college's commitment to public health advocacy and social responsibility.

RED RIBBON CLUB

REPORT ON BLOOD DONATION CAMP CONDUCTED BY D.N.R.COLLEGE

Date: 19th November 2018

Time: 10 AM

Organized by: D.N.R. College, Bhimavaram

Objectives:

- To address the urgent need for blood donations within the community.
- To raise awareness about the importance of regular blood donation and its life-saving impact.

On the 19th of November 2018, a significant event unfolded within the premises of DNR College – a Blood Donation Camp. Spearheaded under the guidance of Principal Sri M.V. Raghu Pathi Raju, this initiative garnered immense participation, with a total of 90 individuals graciously donating blood.

The importance of blood donation cannot be overstated, as it serves as a lifeline for countless individuals battling illnesses, undergoing surgeries, or facing emergencies. Recognizing this critical need, the DNR College community rallied together to make a tangible difference in the lives of others.

As the day progressed, the momentum only grew stronger, with a steady stream of donors stepping forward to contribute. Each donation represented a selfless act of kindness, a gesture of solidarity towards those in need.

Beyond the physical act of donation, the event served as a platform for raising awareness about the importance of regular blood donation. The sense of companionship and unity that permeated the event underscored the power of collective action in effecting positive change. Regardless of background or affiliation, all participants came together with a shared purpose – to make a meaningful difference in the lives of others.

Moving forward, the legacy of this event will endure as a beacon of hope and inspiration, inspiring future generations to continue the noble tradition of giving back to those in need.

As Principal Sri M. V. Raghu Pathi Raju and the entire DNR College community have demonstrated, it is through acts of selflessness and compassion that we truly make the world a better place.

REPORT ON AWARENESS PROGRAM ON COMMUNICABLE DISEASES

Date: September 29th, 2019

Time: 10 AM

Organized by: D.N.R. College, Bhimavaram

Objectives:

- To educate students, faculty, and staff about various communicable diseases prevalent in the community,
- To create a shared sense of responsibility and solidarity in addressing public health challenges.

On September 29, 2018, the Social Work Department of DNR College organized an awareness program on communicable diseases, under the guidance of Principal Sri M.V. Raghupathi Raju.

The event aimed to educate and empower participants with knowledge and resources to prevent the spread of communicable diseases within the college community and beyond.

The program commenced with an opening address by Principal Sri M.V. Raghupathi Raju, who emphasized the importance of raising awareness about communicable diseases and promoting preventive practices. His remarks set the tone for the event, highlighting the significance of proactive measures in safeguarding public health.

Expert speakers from the field of public health provided insights into various aspects of communicable diseases, including their epidemiology, transmission dynamics, and prevention strategies. Topics covered included common communicable diseases such as influenza, HIV/AIDS, tuberculosis, and hepatitis, as well as emerging infectious threats.

One of the highlights of the event was a hands-on demonstration of proper handwashing techniques, led by trained volunteers. Participants were able to practice effective handwashing under the guidance of experts, learning firsthand the importance of this simple yet crucial preventive measure in reducing the transmission of infectious agents.

As the program drew to a close, Principal Sri M.V. Raghupathi Raju delivered closing remarks, expressing gratitude to the organizers, speakers, and participants for their active participation and commitment to promoting public health.
