ANNUAL REPORT

FOR THE ACADEMIC YEAR 2016-17

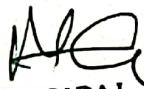

I feel it a great privilege for being blessed with the opportunity to express my hearty greetings to the members of all faculties, administrative staff and students to present the Annual Report for the academic year 2016-17 of our college which is a premier Educational Institution of higher learning and research activities.

Before I take the pleasure in presenting the Annual Report its my pleasant responsibility to express the happiness on behalf of myself, the Staff and Students of our college on the dedicated efforts and fulltime involvement of Sri Gokaraju Venkata Narasimha Raju, President, D.N.R. College Association and the continuous support of Sri G.Satyanarayana Raju(Babu), Sectretary & Correspondent, D.N.R.College Association.

It is acceptable by all that the strength of every educational institution depends on various factors which are closely related to the academic and non-academic activities. I feel proud to say that D.N.R.College (Autonomous), Bhimavaram stands as a role model for effective & efficient management, Quality Education, Quality Teaching, dedication & commitment of staff, excellent examination with judicious evaluation system, result oriented research, good infrastructure, value addition programmes, Extra-curricular activities, Extension services etc. It is evident that our college has been nurturing the generations with quality education and quality teaching by possessing spacious, well ventilated, free airflow and beautiful buildings with all required amenities. Our college possess well established and well equipped laboratories to carry out academic and research work very effectively. Ours is a green campus and free from pollution.

The admissions into Undergraduate courses of our college are highly encouraging with upward curve during the current academic year i.e., 2016-17. All the admissions are made on merit basis duly following the rule of reservation. It is not an exaggeration to say that, this year also ours is the only college which is having overwhelming response of admissions when compared with other colleges which come under the jurisdiction of our Affiliating University i.e., Adikavi Nannaya University. It is my humble responsibility to disclose that, during the last few academic years the admissions into UG Courses in majority colleges are on declining trend, but in our college they are on inclining trend. This is evident to say that our college has been catering to the needs of all sections of the society by imparting quality education.

The Academic Audit Team has visited our college and assessed all the facilities that are being provided to the students and also the academic activity being taken up by the faculty. They have satisfied and appreciated the management, staff and students in this regard.

Ragging is a hazard syndrome having negative results. Everybody agrees that ragging has been taking ugly and inhumanly shapes in higher educational institutions. To root out this menace on the campus, an Anti-ragging committee was constituted for which Sri P.Jayaprakasa Raju, Lecturer in Chemistry is the Convener to work in this regard. The committee met frequently during the academic year and discussed various issues in this regard and decided to take certain measures to curb the evil of ragging. I am very happy to say that during this academic year also no ragging case is registered. The credit goes to the staff and students.

Performing & Fine Arts Association:

I can proudly say that the Performing & Fine Arts Association of our college is also one of the feathers on the crown of D.N.R.College. The students of our college have participated in various competitions conducted at University, District, State, National levels and brought laurels to our Institution. Sri A.B.Baig has been acting as the Convener of Performing & Fine Arts Association of our college. I am proud to say that our college has represented the Combined state of Andhra Pradesh at National level many times earlier.
