Different Sectoral Policies and their Implication
Policies and measures concerning Social Welfare in general
Women Welfae Policies
Environmental Policies
Poverty Allivation Programmes in Paritcular
Social indicators of Development
Human Development Index
Concepts of Social Work Macro Practice and Methods
Consecutive Field Work 4-11-2013 to 30-11-2013
Field Work Guidance to the Students

Semester : III

Understanding Participation - Meaning

Principles of Participation

Knowledge, Power and participation

Participation and Governance

Development - Changing Meaning of Development, Different Approaches

Development Actors

Participatory Development - Meaning, Principles and Experiences

Gender and Development

Methodologies to facilitate Community Participation

Participatory Planning

Participatory Principles

Participatory Process and Experience

Micro Planning

Participatory Monitoring

Participatory Evaluation

Participatory Research - History and meaning

P.R. Methodologies - Principles and Implications P.R. and P.D. fn NGO Sector & case studies P.D. & P.R.

Consecutive Field Work 4-11-2013 to 30-11-2013

Semester : II

Definition goals of counselling, counselling as a tool for enhancing, Potentialities of Individual

Principles of counselling, counsellor as a professional personality burnout, self renewal, prevention of burnout

Three stage models of counselling, rapport, resistance handling resistance

Transference, counter Transference, Counselling Techniques

Theoretical background of counselling - Psychoanalytical client centred

Behaviour Modification

Aptitude and Intelligence. Roles and functions of counselling in different settings such as schools

Colleges, Vocational Guidance clinics

Child guidance clinics, Industries.

Family centered counselling, family crises Intervention

Communication definition, process and types of Communication

Verbal and Non-Verbal Communication

Channels of Non - Verbal Communication, Kinesics

Paralanguage, Psoxemics, artifacts

Functions of Non-Verbal Communication. Formal and Informal Communication - Conditions for effective Communicaion

Patterns of Communication, Barriers to Communication

Communicating with people with special Problems

Role of Social Workers increating an environment conducive to Communication

Semester : IV

Problems of Urban Community : Growth of Slums in Urban areas, Definition and Characteristics of Slums

Causes and consequences of growth of Slums Migration - Concept, types and causes and impact of migration ,

Urban poverty Housing

civic Ameneties in Urban areas

Pollution - types and causes

Agencies Working for Urban Community Development Agencies in Urban Community Development

UCD Project - concept, Objecties and programme,

UCD Projects of Delhi, Objectives and Programme

Services of Urban Community Various Programmes for the Urban community Development

SJSRY, DWCUA, APUSP

Programmes for women and children, Slum Dwelfers

The Scope of Social Work Practice in U.C.B. The role of Non - governmental agencies in U.C.D.

Scope and Importance of peoples participation in Urban Community Development

Factors hindering or promoting peoples participation

Consecutive Field Work 03-03-2014 to 29-03-2014

Discuss about the Field work guidelines to the sutdents

Arranged Field Trips

Field Work conferences

Semester : IV

V.O. - Concept, types and meaning and its Linkages with Government Voluntary Action concept and Trends and Problems

Registrations of Voluntary Organisations Salient features of Registration Act. 1860. F. aspects of V.O. Selection of Project area and priorities

Data based Social Survey, Programme Identification & Formulation

Programme implementation - Peoples participation voluntary Organisation - Roles and functions of Key Functionaries

M.V.O. I concept of Management, Functions and Principles, Structure, Composition and Functions of NGO

Management of administration and organisational Behaviour with special emphasis to team Building

Leadership, understanding conflict

conflict resolution, creative positive climate

Fundamentals budgeting, sources of finance

Fund raising, governmental and non governmental Income Tax Act 1961, FCRA - 1976, Accounting

Importance and significance of audit, keeping reports and returns, cost Benefit Analysis

Programme management Long term short term documentation Project Proposals, based on needs, nature of resources

Eligibility criteria, records, evaluation and research Impact analysis - Qualitative and Quantitative

Needs for public relations use of media for publicity

consecutive Field work 03-03-2014 to 29-03-2014

consecutive Field work Objectives

Surveys and Field Trips

Field work Conferences

Semester : I

Community : Concept, Definition, Meaning Components Characteristics

Major forms of Community - Tribal, rural, urban - their features and differences

Urban Slum Community - Characteristics, problems and Programmes

Community Organisation, Definition, concept, scope and principles

Community Organisation in U.K., U.S.A. and India, Models of Community Organisation

C.O. Strategies and Trends Community Organisation and its relationship with other methods of Social Work

Practice of C.O. Process and Steps, Role and functions of Community Organiser, Role of NGOs

Peoples participation - concept approaches, Obstacles

Radical Community Organisation

Resource mobilization, Micro Level Planning

C.D. - Concept, definition, objectives, historical Trends

Forms of Community Development - tribal, Rural and Urban

Extension - concept, definition and Principles

Leadership - concept, Type, role of community leadership in community organisation

Programme Implementation : Institution of Panchayat Raj, Salient features of Panchayat Raj Act

Structure and Function of ITDA

Structure and functions of DRDA, UCD

Self - help group ((DW ACRA, DWACUA)

Semester : I

U.H.B. : Nature and scope of Psychology in relation to Social Work Heridity and Environment : Concepts, Mechanisms.

Interplay of Heridity and Environment in shapping Human Behaviour Nature and Principles of Human Growth ment and Developent

Determinents of Development - Mile stones of Development, Stages of Development Learning - Nature and Thories

Classical Conditioning , Operent conditioning and Observational learing

Application of learning principles in behaviour theory and in behaviour modification Techniques

Motivation - Social and cutural Dimentions of needs, perception - Nature, Process and Factors

Attention, Perceptual cet, deference Mechanism Personality - Meaning , Definition types of Personality

Factors influencing Personality Development : Physchopathology concept of abnormality Types of abnormality

Neuroses, Psychoses, Psychosomaticsdisorders, Personality Disorders

Psychological Testing - Nature and types of Tests - Use of Tosting in Social Work

Attitudes Formation

Changes of Attutudes through Technicpnes of Persuation

Propaganda

Education

Group Dynamics and group behaviours - individual in a group

Norms and conformity behaviour

Type of conformity

Semester : III

Social Policy - concept, need, constitution basis for Social policy and Social Welfare Policy : relationship between Social Policy and Development

New Economics policy and changing concepts of social Development and welfare state

Concepts of state, Market and civil Society - their interrelationship

Peoples participation in Development, concepts of Stainable Development

models of Social policy - Residual welfare model

Achievement performance model

Institutional Redistributive model chaning perespectives in Social Development

Social Policy and social planning - Social Pohly Formulation contributions of Research Role of Social Worker

Different Sectoral Policies and their Implications

Policies and measures concerning Social Welfare in general

Women Welfare policies

Environmental policies and poverty allievation programmes

Social Indicators of Development

Human Development Index

Concepts of Social Work macro practice and methods

consecutive Field Work 29-9-14 to 31-10-2014

Explain Guidelines to the Students about Field Work

Objectives of Field work Agency

Inclvcate Survey methods

Field Work confrence Every Saturday

Semester : III

Rural Community : Major features of Rural Community Physical, Economic, Social and Political structure of an Indian Village

Dominant Power elite. Rural - Urban relationships

Rural Economy : Peasant Economy. Cottage and small scale Industries. Co - Operatives -

Origin, Characteristics and principles

The role of Co - Operatives in India, Social change in rural India

Tribal Community : concept and definition of Tribes

Characteristics of Tribal Communities

Classification and distributions of Tribes in India

Family and Kinship. Social Organisation of Tribal Communities

Cultural, Social and Economic changes in Tribal Communities, Tribes in A.P.

Major features of Tribal Economy, Forms of Tribal Economy political and religious Organisations of Tribal Community

The Role of forests in Tribal Economy. Tribal problems

Major Tribal problems - social and Economic
