Dantuluri Narayana Raju College (Autonomous) PROFILE

D.N.R.College (Autonomous) has a long cherished history. During the pre-independence days, the deltaic parts of the Godavari valley were popular for their richness of the soil and goodness. Agriculture was the primary occupation. Education was limited to primary schools. Higher education was out of reach for the common man. Those were the days when Sri Dantuluri Narayana Raju, a freedom fighter, a selfless social worker and a visionary, wanted to provide the uneducated rural masses, with the then unthinkable and unreachable source for their overall development and welfare, i.e. higher education. That visionary, with the help of a limited number of committed lieutenants and philanthropists, strived hard with a missionary zeal and realized the establishment of a college at Bhimavaram, named as the West Godavari Bhimavaram college (W.G.B.College) in 1945. In the history of this institution on 4th July, foundation was laid, remained as a heyday and every year it is celebrated as Foundation Day commemorating the nobility and far sightedness of the founder of this institution. In 1964, it was renamed, in his honour and memory as D.N.R. College. With the distinction of being conferred autonomy in 1987, the college was metamorphosed as D.N.R.College (Autonomous), providing quality education to the common man which is the distinctive characteristic of this institution.

The intention was to serve the needy, particularly to socially and economically backward sections and the aim was to uplift them. It was a large-scale beginning. Three languages, twelve science subjects, six arts subjects and commerce are being offered for students to choose from. A central library with about 85000 books was also established. This choice was widened whenever a gap was identified. Geography and Social Work which are not offered elsewhere generally, were introduced in 1957. Political science which was offered along with history was established as a separate branch in 1966. Initiation of post graduate courses in the year 1971 -72 may be considered as an added feather in the crown of D.N.R.College. In 1972, another rare subject Statistics found a place in the prospectus followed by Geology in 1973.

During the late eighties, due to shift in the policies of the Central Government, self-financing courses were introduced all over the country at the UG and PG levels. Consequently new courses such as Computers, Electronics, Biotechnology, Microbiology, Bio-Chemistry etc., were introduced.

Reflecting all these, this college introduced Self-Financed courses as early as in 1988 at the UG level and in 1994 at the PG level. Later, the P.G Centre was elevated to the level of “Research Centre” in the year 2006. Therefore the policy of this college has been to serve the cause of higher education of high standard to the common man.

Within a short time of its establishment this college started attracting students from places far and wide, even from those places where collegiate education was locally available. There are many sound reasons for this which include wide choice of combinations of subjects to select from, quality of teaching faculty, ideal campus, high standard of discipline providing the ideal environment for learning etc., In the year 2005, the institution was accredited with ‘A’ grade by National Assessment and Accreditation Council (NAAC). During 6-8 Nov-2012, a peer team from NAAC visited our college under the chairmanship of Prof. Bhoomitra Dev. After a thorough and critical study of our institution in all respects, the college was reaccredited at the 'A' level indicating that the college is continuing its legacy of quality education. This fulfills the ambitions of the founders.

Recently, Sri G.V. Narasimha Raju, the present President of D.N.R. College Association is conferred with “ Siksha Bharati Puraskar Award” from All India Achievers Association, “Life Time Achievement Award For Education Excellence” from International Achievers Conference and” “Glory Of India Award” from Indian International Friendship Society, for his relentless efforts for the cause of education.

In the year of 2016, the college achieved CPE Status.

COLLEGE EMBLOM SPEAKS

“An embodiment of Mission and Reflection of vision”

The Vedic hymn “Tamasoma Jyotirgamaya” that adorns the top of the emblem suggests the progression of the disciple from ignorance to illumination. A holistic view of the emblem consisting of water, blossomed lotus, buds and rays of the Sun symbolically connotes the relationship between the Teacher and the disciple.

The Lotus, the purest of all the flowers suggests the disciple who ascends from the puddle of water of ignorance to perfection, fully blossomed through the rays of the Sun symbolizing the wisdom showered on the student by the master through his teachings. The Lotus buds signify the students awaiting their turn to blossom.

Credit:

A course credit is a unit that gives weightage to the value, level or time requirements of an academic Subject. One Credit normally represents 18 to 20 hours of formal lectures or equivalent. Most of the Subjects are valued at three credits in every semester.

Grades and its Numerical Values :

Grades in the realm of education are standardized measurements of varying levels of comprehension within a subject area. Grades can be assigned in letters (for example, O, A⁺, A, B⁺, B, C, D, F and AB). Each letter grade has a specific Numeric Value assigned. Grade will be awarded on the basis of marks secured on a ten point scale as indicated below.

Grade Point :

The grade point represents student's performance in a subject. To determine grade points, the number of Credits for the Subject is multiplied by the Numerical Value of the Letter Grade.

RELATION BETWEEN GRADE, MARKS%, AND GRADE POINTS

Student Marks% (Marks Scale Band)	90- 100	80- 89.99	70- 79.99	60- 69.99	55- 59.99	50- 54.99	40- 49.99	Below 40 (Failed)	Absent
Letter Grade	O	A ⁺	A	B ⁺	B	C	D	F	AB
Numerical Value Of Letter Grade (N.V.L.G.)	10	9	8	7	6	5	4	0	0
Grade Point	Numerical Value of Letter Grade x No. of Credits for the Subject								

Grade Point Average (GPA) :

GPA is calculated by taking the total number of grade points in all the subjects, a student secured in a given period of time (one Semester), divided by the total number of credits of the all subjects in the same semester.

The GPA refers to only One Semester, It is also called as Session or Semester Grade Point Average (SGPA).

Note: Grade Point Average (GPA) is awarded to a candidate who passes in all the subject papers in that Semester.

National Seminars: Sharing of knowledge enhances the gamut of any subject. With this view various departments in the college regularly organize workshops and seminars at National Level. Expert from various Fields/ subjects are invited as resource persons.

National Cadet Corps (NCC)

“The Leaders of Tomorrow”

The National Cadet Corps (NCC) is a youth development movement. It has enormous potential for nation building. The NCC provides opportunities to the youth of the country for their all-round development with sense of Duty, Commitment, Dedication, Discipline and Moral Values so that they become able leaders and useful citizens. The NCC provides exposures to the cadets in a wide range of activities, with a distinct emphasis on Social Services, Discipline and Adventure Training.

The genesis of the NCC can be traced back to the First World War when the British created the University Corps as the second line of defense, to have a large pool of trained youth available for employment into the Armed Forces. After independence the present day NCC under the Ministry

of Defence came into existence on 16th Apr 1948 through NCC act XXXI, 1948. NCC was formally inaugurated on 15 July 1948 as soon as the schools and colleges reopened after summer vacation. The Girls Division of the NCC was started in Jul 1949. Later Air Wing was added on 01 Apr 1950 with one Air squadron each at Bombay and Kolkata. The Naval Wing of the NCC was raised in Jul 1952, thus completing the true representation of all services in the Corps.

The NCC is open to all regular students of schools and colleges on a voluntary basis. The students have no liability for active military service. Students who are physically fit and mentally sound are enrolled into First Year NCC every year according to the availability of vacancies.

A full company of cadets is existing in our college under the supervision of 19(A) BN NCC Eluru and is worth mentioning.

Value of NCC Certificates and Camps

There are three types of certificates NCC cadets can secure: ‘A’, ‘B’ & ‘C’. One will be eligible for the ‘A’ certificate after one has spent 1-2 years in the Junior Division (school-level) and attended one training camp. For the ‘B’ certificate, one should have attended at least 75 per cent classes in the Senior Division (in college) and one training camp. The most coveted is the ‘C’ certificate. To be eligible for this exam, one should be a ‘B’ certificate-holder, a third year student at college and should have attended at least one outdoor camp or one national integration camp or Republic Day parade or any other outdoor activity organised by the Directorate of the NCC. The tests are held during February-March every year. The ‘C’ certificate holder has many advantages when it comes to the selection process in the Armed Forces.

NCC -Advantages

1. Develop qualities like social service, team spirit, leadership, discipline and self confidence.
2. Since NCC camp are held at different places in the country, cadets get opportunity to visit significant historical, industrial places and social centers. This helps in widening one’s horizon and creative ability.
3. NCC ‘C’ certificate holders have 32 seats reserved per course in the IMA. NCC cadets having 50% aggregate marks in graduation with minimum ‘B’ grade in ‘C’ certificate examination are eligible for short service commission (NCC special entry scheme) without qualifying CDS written examination. They will face direct SSB interview.
4. NCC trained cadets are given preference in recruitment of armed forces.
5. Many Industrialists give priority in jobs for NCC trained students.
6. Central and State governments give priority in various jobs for NCC trained students

7. Reservation is given to NCC trained students during admissions at various levels.
8. NCC cadets are provided refreshments on every parade and are paid washing allowance for uniform.
9. NCC trained students are given priority in recruitment in central reserve force and BSF etc.

Scholarship from Cadets welfare society: The society grants 500 scholarships of Rs.5,000/- each to NCC Cadets who excel in academics. The vacancies are allotted to all states based on the enrolled strength of each state.

Annual Sahara Scholarship: An annual Sahara Scholarship scheme of Rs. 1 Crore to be given out as scholarships per annum to NCC cadets, has been instituted by the Sahara Group.

ANO: Capt. Dr. A.Veeraiah, Asst. Professor in Physics.

National Service Scheme (N.S.S.)

“Not me, Not You, But We”

The National Service Scheme was started to establish a meaningful linkage between the campus and the community. Mahatma Gandhi, the Father of the Nation, had recognized that the country could not progress in a desired directed until the young minds were motivated to work for the upliftment of the villages/community. Therefore, for the national reconstruction and national resurgence it was deemed fit that the students and teachers should be properly sensitized and utilized for strengthening the Indian society as a whole with particular emphasis on rural community. Thus, students, teachers and the community are considered the three basic components of the National Service Scheme.

After the independence, the University Grants Commission headed by Dr. S.Radhkrishnan recommend the introduction of National Service in the academic institutions on a voluntary basis. The Education Commission headed by Dr.D.S.Kothari (1964-66) recommended that students at every stage of education should be associated with some form of social service. On 24 September 1969, the then Union Education Minister Dr. V.K.R.V. Rao launched the National Service Scheme.

Objectives of National Service Scheme (NSS):

1. Understand the community in which they work
2. Understand themselves in relation to their community
3. Identify the needs and problems of the community and involve in problem-solving
4. Develop among themselves a sense of social and civic responsibility.

5. Utilise their knowledge in finding practical solutions to individual and community problems.
6. Develop competence required for group-living and sharing of responsibilities
7. Gain skills in mobilising community participation
8. Acquire leadership qualities and democratic attitudes
9. Develop capacity to meet emergencies and natural disasters
10. Practise national integration and social harmony.

Benefits of Joining NSS

1. The NSS offers a wonderful opportunity to use a part of spare time to emphasis and help poor and the under privileged fellow countrymen living in slums and villages
2. It provides the volunteers with an opportunity to train themselves as the future leaders and decision makers of the country.
3. It provides training to equip the volunteers with the minimum necessary skills to carryout programmes
4. It provides with opportunities to take part in intercollegiate/inter-university/inter-state camps and exchange ideas with students from other colleges/universities/states
5. Priority is given to NSS trained students during PG course admissions.

The students of our college studying in the first two years of the Degree Course shall have to choose either NSS or NCC. One of them is made compulsory for the first and second year Degree students. It is voluntary for girls students and final year Degree Students.

DNR College Students actively participate in various activities conducted by NSS. Every year, the NSS unit conducts a camp in an under developed area. It schedules so many social activities and awareness programs about education, cleanliness, health, through songs, dramas, and street plays etc., Apart from this, the NSS brings awareness on public cleanliness, presents slides on social ills such as eve-teasing, taking drugs & tobacco, reinstating safety by following of traffic rules and also focuses on different messages that instill altruism in young minds.

Our college has two NSS units. Each unit is under the control of a Programme Officer who is responsible for the entire working of that unit.

Programme Officers : Unit-I, Sri G. Milton, Asst. Professor in Economics, Unit-II, Sri T. Chittibabu, Asst. Professor in Telugu.
